Moreover, the University provides a modern system of long-distance teaching and is equipped with the latest technological infrastructure. Strategic partners, offices and teaching facilities in various countries around the world e.g. Jakarta, Cuba, Uruguay and Singapore complement UCAM's flexible and highly dynamic academic product portfolio.

UCAM's campus is located at the Jerónimos Monastery, which is a historical site erected in the 18th century. The university disposes of an area of over 225,000 square meters with gardens, parking and sports facilities, laboratories and research centers. Together with its baroque church, UCAM's campus has been declared a historical-artistic national monument.

On campus, students will find bright and wide classrooms, a library, auditoriums, meeting and work offices, public computers, a newsroom, multimedia and language facilities as well as television and radio studios. Moreover, WIFI is freely accessible from any WLAN supporting device.

UCAM does not end at its campus' borders, however. Within walking distance, students can find the UCAM Sports Center, located in an outlet shopping mall, La Noria. Apart from that, a supermarket can be found just a few meters away from UCAM's entrance gates.
